## President's Message

Greetings!

Well they do say April showers bring May flowers and boy did we have showers on our first breakfast meeting of this year! Snow showers that is!

Thanks to the folks who made it out to hear a truly educational talk by Steven Thannhauser from Collision Analysis. Among other things, Steven's talk reminded us of the importance of documentation and evidence preservation as well as perspective!

Thanks again Steven!

In May we are welcoming George Hodgson, CEO of the IBAA. George will be updating us on some changes in the IBAA as well as commenting on the Bank Act, Credit Union Act, Insurance Distribution as well as regulatory changes.

We hope to see you there!

Don't forget to check us out on twitter @IPCalgary and "like" us on facebook!
