

## President's Message

Greetings!

We returned from convention in May with renewed spirit and energy! We are excited that we will be hosting the 2019 Canadian Association of Insurance Women convention. Hosting this event will provide all an excellent opportunity for you to volunteer as many hands will be required to make this an unforgettable experience. It is also an excellent opportunity for those of you who have never attended a national convention to do so. I know our chair of Education Day, Lynn Kelly, already has an exciting line-up of speakers! And, while she won't even whisper a hint about what's happening at Fun Night, I can assure you with Shannon MacMurchy in charge, it WILL live up to the name "Fun Night"!

August 9<sup>th</sup> turned out to be a beautiful day for golf! Much thanks to our golf committee, Sherry, Linda, Colleen and Katie for creating such a fun experience!

Our regular breakfast meetings begin again in September and we are thrilled to welcome **Catriona Le May Doen** to speak to us about achieving excellence!

Don't forget to check us out on twitter @IPCalgary and "like" us on facebook!

## **September Breakfast Meeting**

We will be hosting our September meeting at Intact Place. This is a temporary arrangement until the renovations at the Petroleum Club have been completed at which time we will move back into this space, hopefully in time for our October meeting.

Because the space at Intact is access card controlled, we will set up a meeting spot in the main floor lobby to take folks up to "The Bridge".

Our speaker is **Catriona Le May Doen**. Catriona will share her insights on achieving goals and her career highs and lows. You can achieve your full potential through passion, a winning attitude, commitment, and teamwork. Her years as a speed skater have taught Catriona how to deal not only with obstacles, but also with success.

What does it take to be the best? What does it take to stay there?

The journey of Catriona LeMay Doan will take you there and inspire you to reach farther than you thought possible.

See you soon!
