President's Message

Greetings!

Happy Spring everyone! Here's hoping we have an end to the snow and that we don't have to move to higher ground as it all melts!

We are all excited to travel to Halifax for this year's CAIW national convention in June. If you'd like to attend, please contact me for registration information.

Next year it's our turn to host convention and we couldn't be more excited!

These days your executive has been busy refreshing our bylaws and talking about what events we should be providing to our membership. If you have any ideas about events or speakers, please feel free to contact any member of the executive and let us know. This organization is for you and we want to provide events that you are interested in attending!

I have included some photos from our Christmas event. This evening was really fun and we had a great turnout. I'd like to thank The Blue Goose, Service Master, Peace Hills and ABFF for donating great draw prizes.

Thanks also to those who attended and provided donations for the Veteran's Food Bank.

Don't forget to check us out on twitter @IPCalgary and "like" us on facebook!

Director's Message

While we eagerly wait for spring to arrive, I'm starting to plan for the CAIW AGM/Convention in Halifax in June. Hotel is booked, flights have been purchased and my bags are packed! (who am I kidding... I'll pack the night before).

I am currently selling CAIW 50/50 tickets. Tickets can be purchased by any IPC member, even if you can't attend convention. Ticket prices are 1/\$5 or 3/\$10. I'll be bringing these with me to every event we put on.

Once this convention is over, it's time for the IPC to gear up for hosting the 2019 CAIW AGM/Convention. The schedule has changed a little bit, shortening the time away from work and we hope this means we will see a lot of our members there. This will take place June 6-9 at the Hyatt Regency.

We want to know what you are expecting from us as an association. Do you want more seminars? Fun events? Networking events? Send me an email, let's get the conversation started.

As always, remember to like us on Facebook and follow us on Twitter and LinkedIn. All of these links can be found on our website at www.ipcalgary.org
